

A decorative circular billiard cue stand

Sold

REF: 1198

Height: 144 cm (56.7")

Diameter: 66 cm (26")

Description

An imposing decorative antique billiard snooker or pool cue stand of country house proportions circa 1890.

Standing on three handsome carved feet, this revolving cue stand is made from an excellent cut of walnut.

A fluted central column is flanked by three other uprights and the top is capped with circular bosses.

The brass cue clips have been replaced at some stage.

Made by Burroughes & Watts of London
