

Antique billiard snooker pool cue stand or carousel circa 1860

Sold

REF: 1131

Description

A mahogany revolving billiard snooker or pool cue stand of English Country House proportions, standing on three splayed feet with castors, supporting a turntable base with uprights columns beneath a pierced top for cue retention. Capable of holding thirty cues/ rests bridges this early Victorian cue stand is an imposing piece of Billiard - Snooker furniture and was probably made to order by one of the leading London billiard table manufacturers.
