Description

A late Victorian Billiard - Snooker light of Arts & Crafts form, featuring splayed arms and decorative flat work. the shades are exact replicas of the original which were damaged beyond repair.
The lamp is a beautiful organic design and has a great handmade feel, much of the scroll work has been forged together rather than screwed or tapped , the shades are fitted via gantry attachments with thumbnail screws.The steel frame retains its original colour and has great character, it can be compared to a gun metal sheen.
