

Steel Framed Antique Billiard Snooker Light of Arts & Crafts Form,
circa 1900

Sold

REF: 1058

Description

antique billiard snooker pool table lamp sold

This elegant steel framed billiard light is embellished with brass knuckles and a central decorative boss, all of which have been copper plated. The original waxed steel finish remains intact and it has a beautiful patina, the shades have been re-cut by hand to the regional pattern as the old cardboard had ripped and perished beyond repair.
