Description

A rare solid oak "Arts & Crafts" Billiard, Pool or Snooker table circa 1910, in the manner of M H Baillie Scott

Standing on six handsome square chamfered legs with applied bosses the table is a 10ft x 5ft model.

The substantial cushions are solid oak and are extremely heavy ensuring optimum ball response.

The frame , legs and cushions also feature medullary rays throughout, the table still retains its original brass ball catcher pockets, these are very rare and a classic example of Edwardian engineering and design.

All supporting a 5 piece slate bed.
