Description

This stunning Billiard or Snooker table set is manufactured from a super cut of "Douglas Fir", the suite is of Gothic form and was commissioned for Lord Savile's Shooting Lodge in Rishworth West Yorkshire in 1880. The set consists of a fabulous 9ft table, a matching scoring cabinet and revolving cue stand all manufactured from the same timber, made by Cox & Yeman of London. The original plaque is mounted on the end of the table and a hand painted cartouche adorns the scoring cabinet. It is very rare to find a table of this design, provenance and quality in the 9ft size.
