

Antique Billiard or Snooker cue carousel

Sold

REF: 1037

Height: 112 cm (44.1")

Diameter: 55 cm (21.7")

## Description

A freestanding billiard cue carousel by Cox & Yeman of London circa 1870, great colour and original finish, a central upright topped with a turned ball , flanked by three similar uprights supporting a tri-form top with original bone and brass spring clips, all mounted on a revolving base which retains the original faded cloth.
