

Billiard Snooker or Pool cue rack antique 1870

Sold

REF: 1157

Height: 113 cm (44.5")

Diameter: 45 cm (17.7")

Description

A freestanding solid mahogany antique billiard snooker or pool cue rack probably by Thurston & Co of London circa 1870. A central brass column fixed to a rotating platform on a canted and shaped revolving turntable base with recessed holes to hold 15 cues and 3 rests. The top fitted with brass sprung cue clips (replaced) and a decorative turned finial.
